REACH

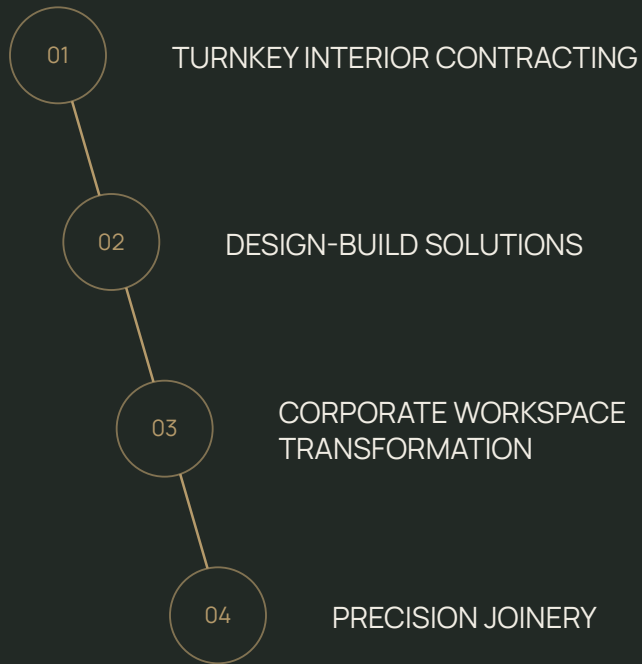

USA

PRIMARY MARKET

CORE CAPABILITIES

Integrated interior delivery for projects that demand design control, construction discipline and precise finishes.

TURNKEY INTERIOR CONTRACTING

One accountable delivery framework—from coordinated planning through execution and final handover.

A CONTROLLED PATH FROM BRIEF TO HANDOVER

01

COORDINATED PLANNING

Scope alignment, programme logic and delivery sequencing.

02

INTEGRATED EXECUTION

Materials, specialist trades and site activity coordinated as one.

03

QUALITY-LED HANDOVER

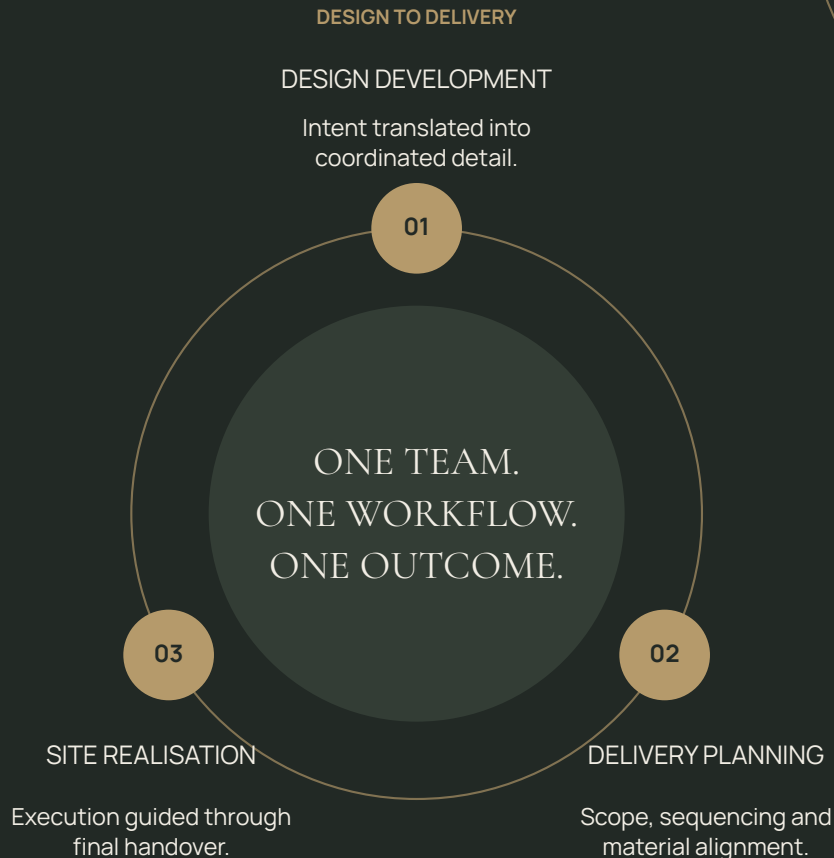

Finish review, closure and readiness for occupation.

ONE CONTINUOUS WORKFLOW

DESIGN-BUILD SOLUTIONS

A unified workflow connecting design intent, coordinated detailing and disciplined project delivery.

CORPORATE WORKSPACE TRANSFORMATION

Purpose-led workplace renewal shaped around identity, collaboration and evolving operational needs.

01

STRATEGIC RESET

Identity, flow and functional priorities.

02

COLLABORATION

Zones for connection, focus and experience.

03

FUTURE READY

Flexible delivery for changing teams and needs.

CRAFTED TO SPECIFICATION

PRECISION JOINERY

Custom-built elements resolved around proportion, material continuity and a disciplined final finish.

01 DETAIL RESOLUTION
Interfaces aligned before fabrication.

02 MATERIAL CONTROL
Finish, grain and hardware considered together.

03 EXACTING INSTALLATION
Site coordination for a precise final result.

SECTORS WE SERVE

A flexible delivery model for diverse spaces, scales and stakeholder groups.

01

CORPORATE WORKSPACES

Headquarters, offices and collaborative environments.

02

RESIDENTIAL INTERIORS

Private residences and refined living environments.

03

HOSPITALITY

Guest-focused spaces shaped around atmosphere and operation.

04

COMMERCIAL & MIXED-USE

Customer-facing and multi-purpose destinations.

CONNECTED FROM INTENT TO HANDOVER

INTEGRATED DELIVERY MODEL

One coordinated structure connecting design decisions, procurement and site execution through every stage.

ONE INTEGRATED SYSTEM

01 / DEFINE

BRIEF & STRATEGY

Priorities, scope and performance intent.

02 / ALIGN & DELIVER

DESIGN COORDINATION

Intent and technical alignment.

COST & PROCUREMENT

Scope, materials and supply.

SINGLE-POINT COORDINATION

SITE DELIVERY

Trades, programme and execution.

03 / ASSURE

QUALITY & HANDOVER

Review, close-out and readiness for use.

THE AXIOMAA ONE DIFFERENCE

WHY AXIOMAA ONE

A focused delivery partner for spaces where design intent and execution quality must remain aligned.

01

ONE ACCOUNTABLE PARTNER

Clear ownership from planning through final handover.

02

DESIGN + DELIVERY ALIGNMENT

Decisions coordinated across design, detail and execution.

03

MATERIAL & FINISH CONTROL

A disciplined approach to quality, interfaces and final finish.

04

GLOBAL OUTLOOK / USA FOCUS

International perspective with the USA as the primary market.

SELECTED PROJECTS

A curated view across living, hospitality and destination environments.

01 / INTERIOR ENVIRONMENT

Layered materiality and considered lighting.

02 / RESIDENTIAL LANDSCAPE

Architecture shaped around setting and arrival.

03 / SOCIAL SPACE

Comfort, atmosphere and spatial connection.

MARKET ORIENTATION

GLOBAL OUTLOOK

USA FOCUS

Positioned for international collaboration, with the United States as the primary market.
