

BENCHMARK PLUS

Building Trust. Delivering Excellence.

EXECUTIVE SUMMARY

EXEC

Benchmark Plus is a premier interior contracting firm delivering excellence through integrated solutions since 2000.

26+

Years Experience

Two and a half decades of consistent delivery excellence in the interior fit-out industry.

500+

Projects Delivered

A strong portfolio of successfully completed corporate, retail, and industrial projects.

100%

Turnkey Solutions

End-to-end delivery from concept and estimation through manufacturing, execution, and handover.

24+

Pan-India Execution

Successfully delivering projects across major Tier 1, Tier 2, and Tier 3 cities with standardized quality systems.

WHO WE ARE

Benchmark Plus is a premier fit-out provider and turnkey interior contracting partner, delivering integrated workspace solutions since 2000.

VISION & MISSION

Tapping into the vision of life and executing customized solution is the mission of Benchmark. We create fit outs, execute project solutions that have the power to change life, increase productivity and promote healthy lifestyles.

We believe in finishing each project in a way that exceeds our client's expectations while remaining strictly within budget and time constraints. Our integrated manufacturing setup ensures quality control from factory to site.

Established

Integrated

Approach

OUR VALUE PROPOSITION

We don't just build spaces; we deliver peace of mind through a structured, transparent, and quality-driven approach that consistently exceeds client expectations.

Exceeding Expectations

Delivering superior finishes while strictly adhering to budget constraints and project timelines.

Single Point Accountability

Complete ownership from initial estimate to final handover, ensuring streamlined communication.

Collaborative Delivery

Seamless integration with Architects, Designers, and PMCs to transform vision into reality.

Factory-Enabled Quality

In-house woodworks factory ensures precision, consistency, and faster turnkey execution.

Safety-First Culture

Uncompromised adherence to safety standards and sustainable construction practices.

SERVICE OVERVIEW

We offer comprehensive capabilities to deliver seamless workspace solutions.

1. Interior Fit-Out

Complete execution of civil and interior works, transforming spaces into functional environments tailored to client needs.

2. Turnkey Solutions

End-to-end project delivery from concept to handover with single-point responsibility.

3. Design & Build Capability

Benchmark Plus also undertakes Design & Build (D&B) projects, delivering integrated solutions from design development to final execution.

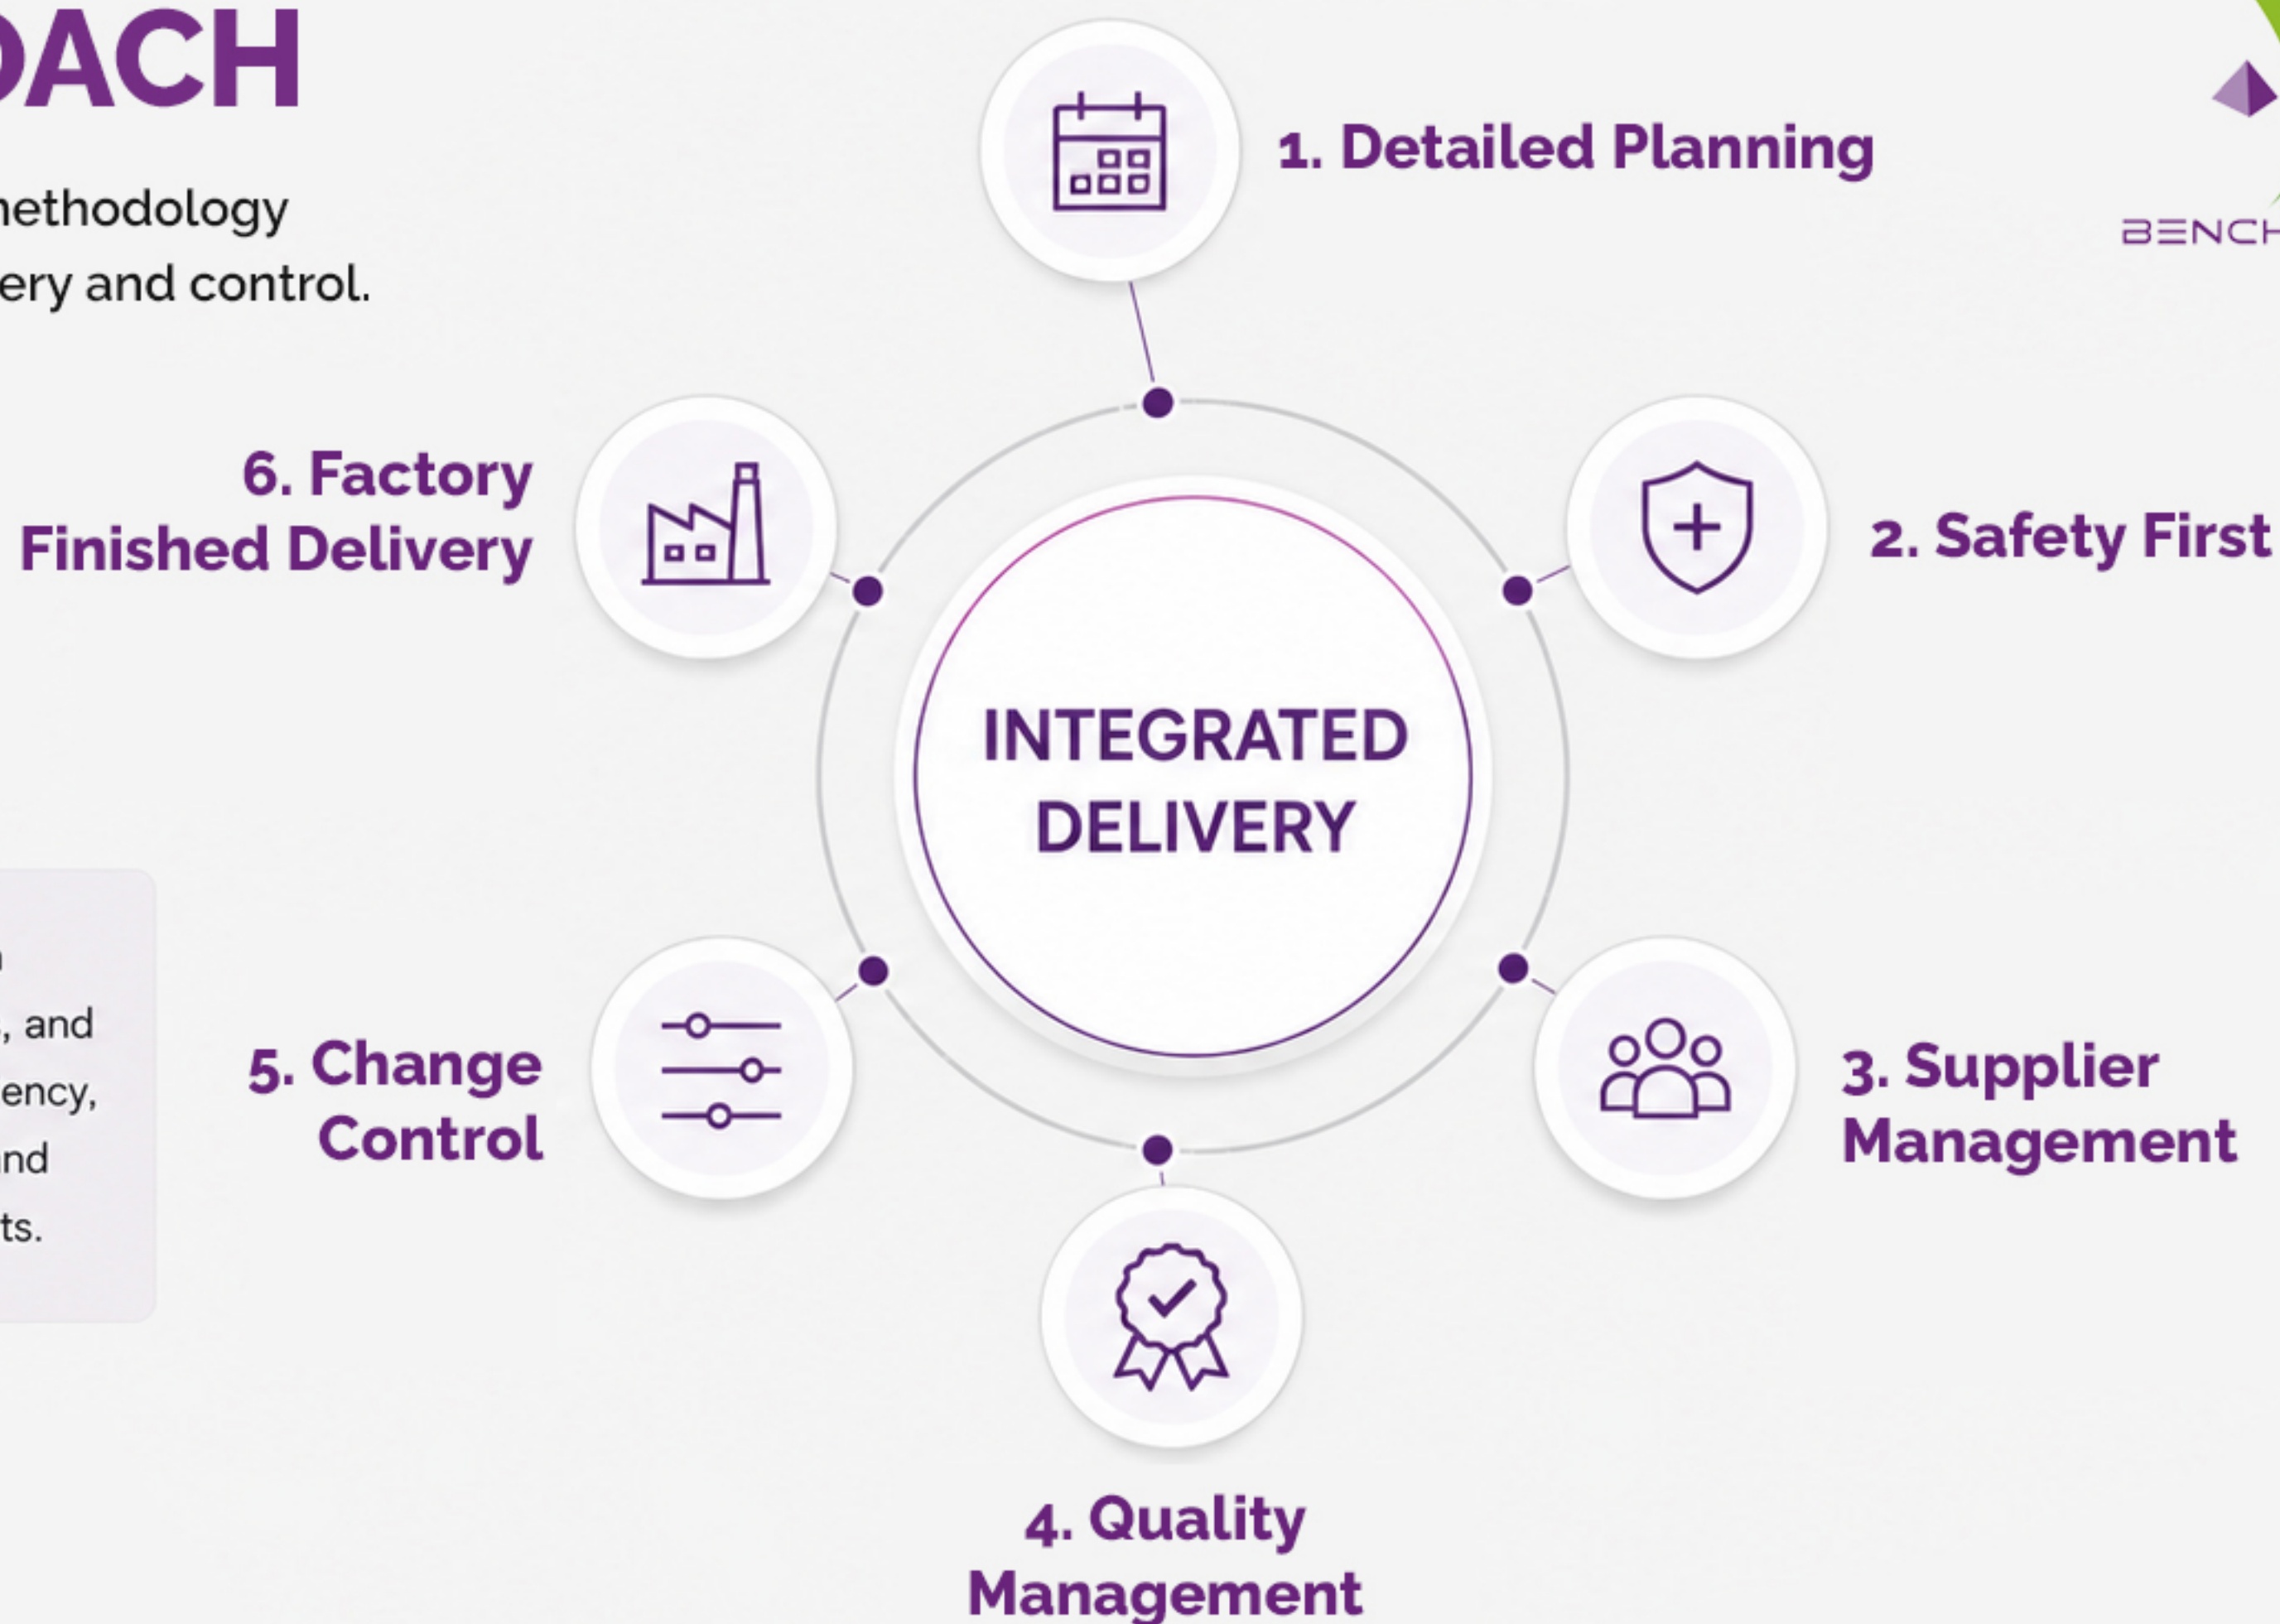

4. Integrated Manufacturing

State-of-the-art factory setup for precision woodworks and joinery, ensuring superior finish and faster execution.

OUR APPROACH

A systematic, interconnected methodology ensures seamless project delivery and control.

Our integrated approach aligns people, processes, and technology to drive efficiency, enhance collaboration, and deliver exceptional results.

LEADERSHIP TEAM

Guided by decades of experience, our directors lead with vision and execution excellence.

36+
Yrs

Pravin Namdev
